Subject: Invitation to speak at TSCA conference on Oct. 6

Wendy and Jeff, Beveridge & Diamond is holding a free TSCA roundtable for clients and friends of the firm on October 6 entitled "TSCA Implementation: Opportunities and Challenges." I would like to invite either or both of you to be a speaker at the roundtable, which will be held at the Waterview Conference Center in Rosslyn. In keeping with the theme of the conference, we would like you to speak on EPA's actions to implement the amended TSCA and EPA's plans for future activities. Our preferred time for you to speak would be around 9:30 a.m. for 45 minutes or an hour (including questions), although we are flexible.

Wendy, you may recall that I sent you an inquiry about this a while ago. When I saw Jeff at the SBA TSCA meeting today, I took the liberty of asking him and/or you to speak.

I know that you both have busy schedules. Please let me know if you can make this conference. I hope you can. If you can't, however, could you suggest an alternate EPA speaker?

Many thanks for considering this invitation.
